This Certificate was issued based on the actual incubation results collected from **ADHAM** incubators made by AFEM (Adham Farm Equipment Manufacturing) that was installed at our facility.

Jenaan Investment contracted with AFEM L.L.C. on the year of 2018 to supply and install an Incubation & Hatching System with brand name **ADHAM**.

The Hatchery **ADHAM** was executed by an authorized Adham Farm technical team using high-quality products while maintaining a dedication to deadlines and delivery dates.

We hereby certify that **ADHAM** Hatchability results have met our expectations where we achieved a Hatchability rate that exceeded 91%.
